

# TEXAS YOUTH RODEO ASSOCIATION

## 2023 Sponsorship Opportunities

Texas Youth Rodeo Association is the oldest youth organization still going strong. The purpose of the Texas Youth Rodeo Association is to promote the sport of rodeo and to promote the highest level of conduct and sportsmanship while exposing its positive image to the general public. Its purpose also includes preserving Western Heritage, offering a privilege of family bonding, an opportunity of continuing education, all while maintaining the highest regard for livestock.

Texas Youth Rodeo Association is open to all youth competitors. The contestants range from the lower valley of Texas, to Brazoria County expanding to the Huntsville area. The prizes will be paid for with the help of donors, the members themselves and various fundraising activities.

Donations from businesses and individuals greatly help TYRA in meeting its goals. Donors may choose the amount of donation and the specific rodeo event they wish to sponsor. TYRA is a 501C3 organization and will be happy to send you a tax deductible form for your donation. Thank you so much for your time, consideration and most of all supporting our youth and the great sport of rodeo!
