We are so happy to have you interested in Texas Youth Rodeo Association (TYRA), the oldest youth rodeo association operating! We are looking forward to a very exciting 2023 rodeo season and want to welcome you back to the association or if this is your first year with us we look forward to meeting you soon! We are 56 years proud!

2023 RODEO SEASON

The board has already meet several times in getting the next rodeo season ready, I believe everything is about completed and very excited about the upcoming season. To rejoin TYRA fill out your membership form before January 1, 2023 to avoid late fee. If you are a new member you will not be charged a late fee and may join at any time. Old and new members please fill out the membership form and remember to look on the back to have the liability release signed and notarized. Of course new members you are always welcome! Renewing members will not need to send in a birth certificate only new members. We have also added an adult membership for \$5 per person, this will give you a vote in the TYRA meeting. It has always been just the clubs that make the decisions, and the board was asked for members to have a voice – so we listened.

2023 RODEO SCHEDULE

The 2023 Rodeo Schedule is at the bottom of the first page of the website (scroll down on first page). The two benefits will count for points and members or non-members may attend, non-members will be able to pay a \$25 fee. The other sixteen rodeos on the schedule members or non members can attend with a \$25 charge. With the sixteen rodeos you will declare which ten you will use for points rodeos on each rodeo entry blank before the rodeo begins and the other six rodeos you may jackpot. The board has decided that in order to attend the finals you will also need to attend at least 6 of the club rodeos and of course be in the top 25 as well. We will be using the 25 points system. For 1st place you will receive 25 points, 2nd place 24 points.....etc with the 25th hole receiving 1 point, in the end we will have the top 25 contestants for the finals. There will be a change in the rodeos with short go's (Benefits and Finals) the short go's will only carry 10 points, so a Benefit will have a total of 60 points and the finals will have a total of 85 points. We will allow non-members to attend any of the sixteen club rodeos and the two benefit rodeos with a \$25 charge to be kept by the Rodeo Clubs. If a non member qualifies for a short go at a benefit we will add as many members to the short so that we have 10 members in the short go. At the end of the season the top twenty five will qualify for the finals in July. Please remember the two benefits will be a long go which you choose which day to ride, Friday or Saturday, on Sunday there will be a short go bringing the top ten (10) to the short go. There will be 60 points available during the weekend – 25 in long go, 10 short go, and 25 for the average. If you have any questions on this please contact Anne and I will be glad to help.
